Amitec SMS Notifier

Terms and Conditions

By using *Amitec SMS Notifier* (the “Product”), you acknowledge and agree to the following terms:

1. **Consent to SMS Delivery**:
   By configuring and using the Product as a delivery channel for the business application AVEVA PI Notifications, you consent that employees receive SMS messages. It is your responsibility to ensure that all recipients of notifications sent through the Product have provided their consent to receive such messages. A consent form is available from Amitec, unless you already have consent forms ready.
2. **Usage Responsibility**:
   You are solely responsible for the configuration, content, and frequency of SMS messages sent through the Product. Amitec is not liable for any misuse, unauthorized use, or failure to obtain proper consent from recipients.
3. **Data Privacy**:
   The Product processes information strictly to facilitate SMS delivery and does not store or retain recipient data beyond what is required for message transmission.
4. **Compliance**:
   You agree to comply with all applicable laws and regulations governing the use of SMS communications, including but not limited to data protection and anti-spam laws.

By continuing to use *Amitec SMS Notifier*, you accept these terms and conditions.

AMITEC

From sensor data to process optimization.
We support your digitalization projects from a process data perspective.

Our partners share the same mission as us, to help accelerate organizations to make faster and better business decisions based on actual, available, and trusted operational data.
